EXPERTISE

- Construction
- Dispute resolution
- Public procurement

PROFILE

Dorthe Dahm-Malling advises public authorities and private businesses on all construction law matters. Furthermore, Dorthe assists technical consultants and insurance companies in professional negligence cases within construction and engineering.

Dorthe's expertise is broad and includes drafting contracts, counselling on disputed matters, including representation in litigation and arbitration proceedings where necessary.

Dorthe speaks the Scandinavian languages and English.

REFERENCES

In construction matters Dorthe has recently acted in cases regarding:

- Claims in connection to substantial defects and technical installations in the renovation of apartment buildings.
- Professional negligence of technical consultants in relation to a school project.
- Participation in arbitration proceedings regarding defects, delay and additional claims in connection with a complicated construction.
