Nordic Arbitration Day

Nordic Arbitration Day is a full-day conference for young practitioners – age 45 or under – with interesting seminars, panel discussions and perfect opportunities to expand your Nordic network. The aim of the Nordic Arbitration Day is to promote arbitration in the Nordics, create a cross-jurisdictional platform for young practitioners, and overall strengthen the Nordic arbitration community.

The first Nordic Arbitration Day will take place in Stockholm on 18 January 2019 and will be co-hosted by the young arbitration associations in the Nordic region. The event will be preceded by a meet-and-greet mingle event at the SCC the evening before.

Who Should Attend?

One of the primary aims of the conference is to create a cross-jurisdictional platform for young practitioners – age 45 or under – where we can share experiences and know-how in arbitration, showcase areas of expertise, and connect with our peers. We happily welcome young arbitration practitioners from all parts of the world.

If you are not already a member, we recommend that you join the young arbitration association of your jurisdiction, as this too is an excellent way to actively connect with the arbitration community as a whole and build your individual network.
