EXPERTISE

- Construction
- Public procurement
- Dispute resolution
- Environmental law

PROFILE

Morten Ruben Brage advises public authorities, private-sector enterprises and technical consultants on all aspects of construction and procurement law, with a special focus on consultant liability. In addition, Morten provides advice on issues pertaining to environmental law, including general availability restrictions, planning law, EIAs, waste and soil management, and expropriation. Morten has conducted a number of cases in the field of environmental law.

Morten has extensive litigation experience and has conducted cases in the high courts, the Maritime and Commercial High Court and the Danish Building and Construction Arbitration Board, as well as the Complaints Board for Public Procurement. In 2015, Morten served as acting high court judge in the Eastern High Court. From 2011 to 2015 he was an external lecturer on property law (environmental law) at the University of Copenhagen and co-editor of *Miljøretlige Afgørelser og Domme (MAD)*, a journal on decisions and judgments in environmental law.

Morten speaks the Scandinavian languages and English.

REFERENCES

Morten's recent work includes assistance in matters relating to building and construction:

- representing a construction client in arbitral proceedings concerning the termination of a construction contract and arbitral proceedings concerning fee for additional works
- acting as litigator in a case concerning consultant liability
- representing a client in a case heard by the Complaints Board for Public Procurement
- providing advice on a number of matters, including the question of obligations under the Public Procurement Act, rules concerning participation in joint ventures in relation to the same tender, and assessment of compliance with conditions

In the field of environmental law, Morten has recently provided advice on the following:

- assessment of application of the EIA Directive in connection with the adoption of construction-related legislation
